Possible Revision checklist – GCSE (can be adapted for A level)

Subject	Target grade	Projected grade	What I've done (tick columns when you've completed)						Further plans / recommendations from teacher….
			Mind map	Memory cards	Online revision	Work book	Exam questions	Read actively	
English									
Maths									
Science									
ICT									
Option 1									
Option 2									
Option 3 (where applicable)									

Potential Improving learning Log

Target (specific, realistic, achievable, include **date**)	**How will I achieve this target?**	**Action I took to improve my learning** (evidence of what you did)	**Review date**	**Achieved** (yes/no) (Date)	**Comments**
example To memorize the key terms and their meanings for the circulatory system (07/3/16)	Make reference/memory cards and time how long it takes to repeat them perfectly until I can say them in 2 minutes	Memory cards and now I can repeat all words and their meanings perfectly	14/3/16	Yes, 14/3/16	It was difficult at first but now I have memorized them I think I can try to connect the cards together and explain the links between the words
