Half Term			
From this point, lessons should continue to be accessed for subjects where examinations have not yet taken place. Lessons can be accessed remotely (via Teams) with the exception of cases where students are either requested to be in attendance or wish to continue to attend – this will be communicated by the class teacher(s). Study leave will be given for all other lessons (where exams and assessment have taken place/been concluded) and study periods from Monday 6 th June. Students must continue to sign in and sign out at post-16 reception throughout this period.			
			Lessons cease on this date as indicated by the subject name being in this column
