

# 7VKL: Mrs Koehler-Lewis

Welcome to my 7VKL tutor page.

I am very excited that you are joining my tutor group and I look forward to meeting you soon.

My job as your tutor is like being a parent in school. I will be there to help and support you every day. I will be there to greet you and help you get the best start to your day.

Have a look at the pictures on my tutor page; they each tell you something about me. At school besides my day to day job I also support all Young Carers and we call ourselves the WE CARE group. I love being with friends and due to being German am quite competitive at boardgames and various tutor competitions, so be prepared! 🎲 I speak 5 different languages and I support Bayern Munich (my local football team), I love Gary Barlow who is also in my teaching classroom to help me teach (unfortunately only as a cardboard cut-out) and I like well-behaved children.
