

7ST: Mrs Tomlinson

Hello 7ST,

Welcome to our tutor page.

I am Mrs Tomlinson and I will be your tutor next year. My role as a tutor is to meet you each morning. I will be here to help and support you every day whilst you're at school.

Here is a little bit of information about me. I have been teaching at Coombe Dean since January 2023, so I haven't been here long, but I previously taught at another school in Plymouth for 8 years.

I teach Science and I think it's a great subject. I studied Sports Science at University but I enjoy teaching all Sciences, especially Chemistry (the one with the chemicals).

When I'm not working, I like spending time with my family and my cat Silkie. I like to make macrame wall art and play video games with my husband and two children.

One of the things I love about being a tutor is getting to know my tutees and supporting them throughout their journey at secondary school.

I'm looking forward to meeting you all in September.

Mrs Tomlinson
