

7BW: Mrs Webster

Hello 7BW, welcome to our tutor page!

I am going to be your tutor whilst you are here. This means you will see me for half an hour every morning to answer any questions you have and support you in any way that I can to help you settle in as well as possible. One of the things I love about being a tutor is getting to know my tutor group and building positive relationships.

So, a little bit about me... I have three animals a dog (Bailey), a cat (Rocco) and a tortoise (Flash) who you can see in the pictures at the top. In my spare time I enjoy being outdoors, visiting new places and camping in our campervan. I love spending time with my family and friends too.

I am excited to meet you all very soon!
