# Curriculum Enrichment Week

## 13<sup>th</sup> —17<sup>th</sup> July 2026

**Dear Parent / Carer,**

At Coombe Dean, Curriculum Enrichment Week is a highlight of the year for students in Years 7–9. It gives them the chance to step outside the classroom, try new experiences, and build confidence.

The week is closely linked to the **Coombe Dean Commitment** and our ambition to help every student “**climb their mountain.**” Whether exploring new places, developing skills, or uncovering hidden talents, students come away with memories and lessons that will stay with them for life.

This is an exciting week where the curriculum is enriched by providing students with activities that cannot normally take place in an average day.

Please read through this booklet to learn more about the exciting opportunities on offer. You can also visit the school website and read the brochure online, in glorious colour!

The cost of each activity is shown, and we are legally required to cover these by voluntary contributions. However, if you decide not to contribute, we may not be able to run the activity since we have no alternative sources of funding. Please note that **deposits are non-refundable**, so make sure your son/daughter selects his/her activity carefully. Deposits will also guarantee your son/daughter’s place on their allocated activity.

At the back of the booklet, you will find some handy hints and tips and I would be grateful if you could read these before your son/daughter makes his/her final choice.

Do not hesitate to contact me, or the member of staff who is organising the activity if you need further information.

Happy reading!

**Mrs L Sutherland**  
**Associate Assistant Headteacher**  
**enrichmentweek@coombedean.co.uk**

Please note:

Curriculum Enrichment Week is an integral part of your son’s/daughter’s educational experience at school. It is a special week offering huge opportunities to extend their curriculum experience and all students will be expected to participate in an activity during the week.

Before you submit your online booking form to reserve a place on an activity, please take a few moments to read these tips:

- Talk to your friends to find out what activity they will be doing.
- Only pick an activity that you think you can do. It is not easy to change your choice after the deadline so you may be disappointed.
- Talk to the activity leader if you have any questions.
- Make sure you complete the online form in good time and by the deadline.
- Some of the activities will fill up very quickly and we don't want you to be disappointed!

### **What do I do now?**

Ok, you've had a good chat with your friends, and you've read through this book with someone at home and you've found a really good activity that you would like to do. (Just one? They are all brilliant!).

Complete the online booking form that will be sent out via **Parent Class Charts announcements**. For all years this will be on **Sunday 2<sup>nd</sup> November at 6pm**. Parents will need to complete this within the **48-hour window**. It will not be on a first come first served basis this year.

Please make sure you fill in the form correctly with your **name and tutor group** and don't forget to **ask your parent or carer to complete the parent section!**

### **Then what happens?**

Places will be allocated on activities, only on receipt of a completed form. No other ways will be accepted. I will then allocate places to each of the activities. Your name will then be added to the list for your chosen activity. You will be sent a confirmation letter via your email address. This will be sent during the week of Monday 10<sup>th</sup> November. This will state which activity you have been allocated, the cost, and when you should pay the instalments. **Please note your place will not be confirmed until the deposit has been paid.**

### **What happens if the activity I want to do is full?**

On the online booking form, you will be asked to name **four** preferences. I will do my best to get you into the activity that you have named as your first preference but, as we have to put a limit on the number of places in each activity, this cannot be guaranteed. All activities will have a reserve list of approx. 5 names. You may be added to the reserve list and it may be possible to offer you a place later on.

### **What if I don't choose anything?**

If the form has not been completed by Friday 7<sup>th</sup> November 4pm, then the student will be allocated to Daily Choices and the free activities.

## Important Payment Information

The cost of each activity is shown at the bottom of each page, along with arrangements for payment. Some costs are approximate and will usually depend upon the final numbers opting for each activity, **although the amount shown in the booklet will be the maximum amount you can expect to pay**. Arrangements have been made to try to subsidise activities wherever possible to keep costs manageable.

Payments cannot be made until places have been confirmed by email and will then appear on your ParentPay account. Once you have received confirmation on your child's place on an activity, you will be asked to pay either the amount in full or to pay the first instalment. Please refer to the individual activity outlines for payment requirements. Payment will act as a **non-refundable** and **non-transferable** deposit, so please make choices carefully! (Note: the only exceptions to this rule are if the school has to cancel an activity due to insufficient numbers opting to do it or if an activity is cancelled by the provider, the deposit will be refunded in this case.)

The school has the right to take into consideration your previous payment history and any outstanding debts, when allocating your child's activity.

Deposits will be required by 1<sup>st</sup> December 2025. All payments must be completed by 5<sup>th</sup> May 2026 for a student to participate in their chosen activity and payment will be through **ParentPay**

For all students, if payment is a barrier to participation, please contact Lara Sutherland, Associate Assistant Headteacher, by email on [enrichmentweek@coombedean.co.uk](mailto:enrichmentweek@coombedean.co.uk) for further advice before opting for an activity.

For questions about how to access ParentPay, please email [finance@coombedean.co.uk](mailto:finance@coombedean.co.uk)

For questions regarding payments for Curriculum Enrichment Week, please email [enrichmentweek@coombedean.co.uk](mailto:enrichmentweek@coombedean.co.uk) with Finance in the title bar.

**THE ONLINE BOOKING FORM MUST BE COMPLETED BY WEDNESDAY, 5<sup>TH</sup> NOVEMBER, AT THE VERY LATEST. ONCE YOU HAVE HAD YOUR PLACE CONFIRMED, DEPOSITS WILL HAVE TO BE PAID BY 1<sup>ST</sup> DECEMBER.**

### **What is the final date for payment?**

All activities must be paid for by 5<sup>th</sup> May 2026.

### **I'm confused, who can I talk to?**

Come and see Mrs Sutherland in the Year 7 area or speak to your Year Team Leader.

## Onsite Activities – Choose Your Adventure!

Following feedback from students last year, we have reorganised our onsite activities to give students the chance to take part in a mix of activities they enjoy.

Each activity clearly shows the cost per day and the number of days it runs.

Students must sign up for 5 different activities throughout the week, totalling 5 days of fun and learning.
