

Post-16 Transition Task for Summer

Music

Produce a current Skills Audit focusing on current, specialist knowledge and skills, employability and study skills. Analyse your audit, including strengths and weaknesses.

This basically means list and categorise every music skill you have. You may want to use the following sub-headings

- **Performance**
- **Composition**
- **Theory**
- **Study Skills**
- **Employability Skills**

Once completed, analyse your current strengths and weaknesses and identify areas in your musicianship which you would like to improve.
