We expect you to complete the work below to show you have completed the background research and are capable of studying at A Level. *Failure to complete this work to a sufficient standard may result in you not being able to join the course.*

These tasks will take a total time of **approximately 8-9 hours**, please do not leave this to the last minute! Do a little bit each week. *You need to show you can manage your own time to be suitable for A level History- this task is a test of your suitability.*

The tasks:

1. Complete the **Seneca assignments set**- see the hyperlinks or see below. You will need to set up an account on Seneca if you don't already have one. The class code is **mgp2dtq12n**. www.senecalearning.com

Total time = 2-3 hours

2. **Using the timelines you have been given for each topic**, research **every event** and create your own timeline with a **detailed description of each event**.

Total time = 4-6 hours

3. **Email your timelines to Miss Carew by the 14th July**. If you have completed it by hand, take a photo and upload. Teachers will check the logs and scores on Seneca. scarew@coombedean.co.uk
