Oxbridge Applicants

For Students:

These sessions are aimed at Year 12 students who may be considering making an application to Oxford or Cambridge, and would like to find out more about student life and the admissions process. Younger students are more than welcome to attend if it would be helpful. We recommend that students attend both sessions, as they offer different insights into Oxbridge. As such, both sessions are repeated to suit your availability.

Sign up form: <https://forms.office.com/e/THJFd5qWvn>.

Session 1: Introduction to Oxbridge and Student Life

This session will introduce students to Oxford and Cambridge, explaining their similarities and differences, and will explore both the collegiate system and the tutorial/supervision mode of teaching. Students will also hear from current undergraduate students about what it's like to study at Oxford and Cambridge.

Tuesday 23rd April, 09:30 - 11:00

or

Thursday 25th April, 13:30 - 15:00

Session 2: Applying to Oxbridge

This session will explain the admissions process for both Oxford and Cambridge, giving advice on personal statements, admissions tests, and interviews. Students will also gain insight from one of

the College's Admissions Tutors.

Wednesday 1st May, 09:30 - 11:00

or

Thursday 2nd May, 13:30 - 15:00

For Parents and Supporters:

This session is aimed at parents and supporters of students considering Oxbridge, and how they can best support them in making their application. The session will also cover the application process and information on fees and funding.

Wednesday 2nd May, 18:00 - 17:00

Please forward this opportunity onto the parents and supporters of your students. **The registration form for this session can be found here: <https://forms.office.com/e/TnLLgvZqeU>.**

Sutton Trust Summer Schools

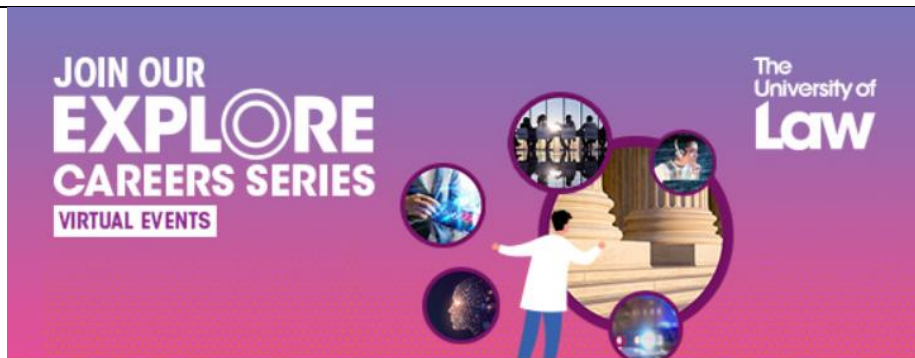

Our [UK Summer Schools 2024](#) are now open for applications.

Giving state-school pupils a fantastic opportunity to learn about what life is like at one of 13 leading UK universities, our Summer Schools are a key part of our programmes offering. Students on these programmes will spend a week living in halls, taking part in academic sessions, meeting young people with similar interests, and gaining valuable insights into the world of higher education.

In addition to our Summer Schools, we are also now accepting applications for our [Access Apprenticeship](#) programme. This programme offers state-school pupils the chance meet employers and like-minded peers, and learn more about how to access top apprenticeships. The programme is one year long, with students able to learn more about one of three different apprenticeship sectors, depending on their location: Banking and Finance (London based), Engineering (Birmingham based), and Law (London based).

Applicants to these programmes must be studying in Year 12 in England or Wales, Year 13 in Northern Ireland, or S5 in Scotland (or equivalent), and have always attended a state-funded school. Applications close around mid-March.

Meet professionals in our Explore Series

As well as an introduction to **career pathways**, students can meet professionals related to different subject areas in next week's Explore events:

- **Clinical Psychologist** (5 March 4-5pm)
- **Trainee Solicitor** (5 March 4-5pm)
- **Police Constable** (6 March 4-5pm)
- **Head of Learning Development (HR)** (6 March 4-5pm)
- **Cyber Security Expert** (7 March 4-5pm)
- **Probation Officer** (7 March 4-5pm)

These events are **free for all** to attend and students can join several sessions across Careers Week using the same link.

We are delighted to announce that we will be hosting a series of free career tasters for students aged 12-18.

Ahead of National Careers Week, we will be hosting another series of free online career tasters for students aged 12-18.

These interactive sessions serve as a great introduction to a range of industries, while giving students an opportunity to hear from a professional and participate in an interactive career simulation.

Please encourage your students to bring any questions they may have to the webinars - we're here to help them on every step of their career journey.

If students are unable to join live, they can still register to receive the recording and our follow up resources.

Peninsula Dental Residential:

Residential Dental Summer School funded by NHS England. This is a 3-night, 4-day summer school facilitated on the main University of Plymouth campus from Monday 8th July to Thursday 11th July 2023.

This is a fantastic opportunity for students from the Southwest region (Devon/ Cornwall/ Bristol/ Dorset/ Gloucestershire/ Somerset/ Wiltshire) to gain an insight into dentistry/dental therapy & hygiene, looking at the whole life cycle of a dental student and it will focus on supporting the student's journey into dental education. The programme is aimed at students in Years 11, 12, and 13 from disadvantaged backgrounds who meet the NHS/DSC eligibility criteria as shown on our website (link below).

Funding will cover the students travel costs, accommodation (in our university halls of residence), all meals, and refreshments. Please see the link below for further information about the summer school and the eligibility criteria.

The closing date for applications is **Friday 26th April 2024.**

Volunteering Opportunity – and good ongoing WExp for Medical, care based or education pathways and careers!

We are looking to recruit more volunteers this year to assist us with running our busy vaccination clinics at Homepark and our Outreach clinics in the Plymouth area. This role covers both inside and outside stewarding where you would be expected to direct patients, marshalling carparking, managing queues etc.

Oxbridge Subject Conversations

Not sure which subject is best for you to apply for? Our Oxbridge [subject guides](#) (interviews with current students) give you an insider view into what studying various STEM and Econ subjects is like at Oxford and Cambridge! **Get Oxbridge Subject Conversations here!**

Access to UWE Bristol Fair

We would like to invite you and your students to our Access to UWE Bristol Fair, held at Frenchay Campus on **Wednesday 27 March 2024, 12:00-15:30**.

This is an opportunity for prospective Year 12 or Level 3, Year 1 students to find out about the wide range of services we offer to meet their needs and support a smooth transition into Higher Education. This small-scale event is designed to be accessible, reassuring and confidence building.

If you would like to attend the event, [please complete this short registration form](#).

Feel free to [contact us](#) if you have any questions about the event.

Medicine Pathway Programme at Edge Hill University Medical School.

Applications are now open for 70 **Year 12 students** to take part in our 2024 programme which consists of an on-campus visit to Edge Hill University where students will learn about student finance, life as a doctor and take part in clinical skills sessions. There will also be an online day where students will take part in workshops with staff from each of our partnering universities: University of Liverpool, University of Manchester and Lancaster University. The programme will culminate in a 4 day, 3 night residential where students will stay at Edge Hill University and spend their days at each of our partner universities, experiencing life as a medical student.

This programme is aimed at young people from under-represented backgrounds and is free to students who take part. This is an initiative run by the Medical Schools Council and is funded by Health Education England. Here - [MSC Pathway Programme Application Form 2024 \(onlinesurveys.ac.uk\)](#). More details can be found on our website - [Widening participation - Edge Hill University](#).

Applications for the 2024 Pathway Programme close on Friday 1 March. Please note, we may choose to close applications early depending on the number of eligible applications we receive.
