

## Pupil Premium at Coombe Dean School

Pupil Premium is additional funding for publicly funded schools in England to raise the attainment of disadvantaged students and close the gap between them and their peers. Coombe Dean School aims to provide opportunities to access all areas of education for all students, whatever their starting point.

### What is the Coombe Dean Pupil Premium Pledge?

Coombe Dean School is committed to supporting all students to reach their full potential. The image below provides an overview of just some of the ways in which the school can support students who are eligible for Pupil Premium funding.
